***Technical Report Signature Form***

All AGEP Undergraduate Fellows are required to write a Technical Report at the end of each semester. This report **MUST** be signed by the student's designated faculty preceptor. In an attempt to comply with the Paperwork Reduction Act (OMB 83-I), we are requiring the Technical Report to be submitted in electronic format. However, we still require an original signature from the faculty preceptor. Therefore, by signing below, you certify to the satisfactory completion of the student's Technical Report. It is the student's responsibility to comply with filing dates.
